With corporate headquarters in Stuart, Florida, Big Five Tours & Expeditions is a global tour operator offering customized, luxury travel to more than 45 destinations. Our reputation for distinctive tours and personalized service is owed to more than 37 years of success in fulfilling dream vacations to the exotic corners of our world.

Big Five was founded in Kenya in 1973 as a family-owned safari company dedicated to offering affordable luxury travel to Africa's finest wildlife habitats. The company's name harks back to the era when hunters pursued Africa's famous *big five* – elephant, leopard, lion, rhinoceros and buffalo. The heart of our operation was a collection of carefully planned, expertly guided programs for small groups of travelers.

We defined our mission then in terms of value, commitment to quality and premier service. To this day, the company remains family-owned and the mission has grown even stronger. We consistently strive to improve our offerings to our guests, which is reflected in our industry-leading, 24-hour **White Glove Service[®]** guest assistance. It offers greater assurance to every guest that we are there every step of the way with a wide range of services from dinner reservations, to basic trip interruption insurance, to live support around the clock for every guest at no additional cost.

The ensuing decades have witnessed the growth of Big Five into a multi-national company. We opened offices in Canada in 2007 and in Jordan the following year. Today, Big Five is a leader in the field of authentic luxury safaris and exotic travel worldwide. We have helped define eco-sensitive soft adventure travel to the most remote and intriguing corners of the globe. Every customized tour is distinguished by superior quality and service that has become our hallmark.

Big Five offers personalized itineraries that are tailored to the interests of each individual or group through the expert services of our Destination Specialists. From a special interest group, to a romantic honeymoon, to a thrilling family holiday, our dedicated staff of travel professionals can design the ideal vacation.
