Big Five Tours & Expeditions takes honeymoons on less traveled roads

Stuart, FL Sept 22, 2020 – Big Five Tours and Expeditions has launched a new collection of exotic honeymoon journeys, *New Beginnings*, that celebrate the beginning of a couple’s shared adventure in spectacular, unexpected locations around the globe. The perfectly planned honeymoon vacation offers once-in-a-lifetime experiences.

“A honeymoon is a beginning and a postponed honeymoon is a new beginning. We put this collection together because it speaks to our guests who are waiting longer now to go on that special trip. They also want more than champagne and chocolates,” states Ashish Sanghrajka, president of Big Five. “They want a journey in a spectacular setting to remember. *New Beginnings* take the classic honeymoon and pushes the boundaries to places such as Colombia, Zambia, Malawi, Mozambique, New Zealand, Brazil and even Uruguay.”

The collection allows couples to explore by vehicle, boat, bicycle, or foot as well as presenting extraordinary experiences from scuba diving in Africa’s Lake Malawi, to horseback riding along private trails on the coast of Uruguay, to snorkeling in the dazzling marine world off the coast of Mozambique and kitesurfing in Brazil. Visit a preserve for seahorses and an oyster farm. Visit the charming village of Atnis and the Lençois Maranhenses National Park. Enjoy a menu of activities encompassing hot-air ballooning, walking safaris, paragliding over a canyon, repelling down a waterfall and world-class rafting. Couples enjoy romantic dinners in stunning settings such as an unforgettable moonlit dinner in the middle of the forest in Uruguay, and the candle-lit atmosphere of Sindabezi Island in Zambia.

Accommodations reflect the occasion from a secluded honeymoon chalet on a sandy shore on a private isle on the Zambezi River, with an old-fashioned, claw-footed bath for two; to the delightful, oval-shaped and aptly named Birds Nest in the heart of Zambia’s magical Busanga Flood Plains. Savor a stay in a unique glass cabin in Pueblo Eden, Colombia, with mirrored glass walls that take advantage of the wild beauty of the mountains in eastern Uruguay.

New Beginnings collection debuts with adventures in *Exotic Zambia & Malawi*, 13 days; *Uruguay Getaway Adventure*, 11 days; *Colombia Adventure for Two*, 16 days; *Nicaragua Discovery*, 10 days; *Brazil A Fine Romance*, 10 days, *New Zealand Adventure*, 14 days, and *South Africa & Mozambique Grand Adventure*, 13 days. More destinations are coming soon including Tanzania and Australia.
